Including Others

One of the ways we are seeking to welcome and include people at NW is to better communicate the events, groups and other ways we have available for people to connect and get involved. One new way we are now working to do that is to display information about these opportunities on some large TV screens in the main lobbies, food bank area, and fellowship hall. We also plan to use these TV's to display the Sunday morning service, as it is taking place (with a low volume), and to provide some brief “news stories” of NW events soon after they take place. Our goal is to improve communication about events and opportunities so that more people can connect and get involved at NW. If you have questions, see Marvin.

Ride to church?

Lisa Loney currently needs a ride on Sundays for 2nd service. She lives near the intersection of Wurzbach Parkway and Blanco Road, just before Wurzbach reaches Hwy. 281.

John Neely needs a ride on Sundays. He lives at Culebra and Timberview in the Deer Creek Apartments.

If you would consider helping in either of these situations, please contact Shane Sullivan (shane@nwchurch.us or 210-688-3002)

If you have a reflective vest that belongs to the NorthWest Watch Team, please return it to Brenda Reinhard, Al Young or the church office.
