### Sunday Night Service

Starting Sunday night, May 14th, we will be studying N.T. Wright's video series, Surprised by Hope: Rethinking Heaven, the Resurrection, and the Mission of the Church for six weeks. N.T. Wright is a British scholar who has written extensively about New Testament theology. His delivery is engaging, biblically based, and very British. His works have been used as textbooks in Christian university courses for many years. Wright was keynote speaker most recently at Pepperdine Lectureship in 2016. We will sing a few hymns, watch the video, participate in a discussion during which both women and men will be welcome to contribute, offer the Lord's Supper and dismiss before 7 p.m. Should be stimulating

Surprised by Hope, the book on which the video series is based, is available at Amazon in both print and electronic (Kindle) formats. Also, YouTube has many videos of Wright's lectures on a variety of New Testament topics and writings.
