The Story of Churches of Christ

This past Sunday evening, July 16th, we began a video series of six sessions by Dr. Doug Foster on the history and story of Churches of Christ. I had Dr.

Foster as professor of church history for two different courses during my graduate studies. He is a humble man of God, perceptive and eloquent, clear and direct.

(Also, a rigorous teacher.) After each video we will have a time for questions and comments from the congregation and everybody, men, women and children are invited to participate in the discussion. If you have wondered about our history or would like to deepen your understanding of Churches of Christ, this study will help you understand better who we are.

Guest Was Handing Out Literature Last Sunday July 16th

An out of town guest on Sunday handed out multiple copies to several members of a publication called Spiritual Sword. Chuck Morris, Bob Harris, and Bud Smith have examined the literature and believe that, while some of the information can be useful, it is often also divisive and sectarian. One duty of the elders is to protect the flock, and they believe this literature should be read with caution. If anyone would like to talk about this, please feel free to contact one of the ministers or elders.
