Guest Was Handing Out Literature Last Sunday July 16th

An out of town guest on Sunday handed out multiple copies to several members of a publication called Spiritual Sword. Chuck Morris, Bob Harris, and Bud Smith have examined the literature and believe that, while some of the information can be useful, it is often also divisive and sectarian. One duty of the elders is to protect the flock, and they believe this literature should be read with caution. If anyone would like to talk about this, please feel free to contact one of the ministers or elders.
