Survey Has Been Completed

Thanks for making your voice heard through the survey, 179 surveys were completed, and the researchers at ACU tell us that is enough to make it statistically valid. The next step is that Carson Reed from ACU will meet with our leadership on October 14th to work through the findings. Be praying that God will use the survey to show us what we at NW need to see, that we will be open to hearing it, and that He will lead us to the appropriate ways of acting on what we learn. Stay tuned for more info!
